Twit twoo little owl

I see you

Hunting in the night

Twit twoo little owl

I see you

With your eyes so bright (visual attention)

Twit twoo little owl

I see you

Sitting in your tree

Twit twoo little owl

I see you

Your feathers are so sparkly (fixation)

Twit twoo little owl

I see you

Soaring in the sky

Twit twoo little owl

I see you

Flying up so high (tracking up and down)

Twit twoo little owl

I see you

Flying here and there

Twit twoo little owl

I see you

Flying without a care (tracking side to side)

Twit twoo little owl

I see you

With your friend you play

Twit twoo little owl

I see you

Having fun all day (Transferring gaze)

Twit twoo little owl

I can't see you

There are too many owls for me

Twit twoo little owl

Oh I see you

With your feathery family (Scanning)
